Dear Customers and Business Partners of Bernd Flach  
Präzisionstechnik,

We are excited to announce that starting in February  
2025, we will offer new machining dimensions!

## Technical Data:

Travel range: 1050 x 900 x 600 mm  
Interference circle:  $\varnothing$ 1100 mm  
Speeds up to 20,000 rpm  
Internal coolant supply (ICS): up to 80 bar  
228 tool slots  
Automation with 15 pallets  
Pallet size up to 800 x 630 mm

With travel ranges perfectly adapted to current demands and a consistent focus on 5-axis applications, this investment enables us to meet the highest precision requirements and the tightest tolerances.

We remain your reliable partner for manufacturing complex CNC components and injection-molded products.

## Challenge us!
